

MEDIA 41 Years SPOTLIGHT

A BIBLICAL ANALYSIS OF RELIGIOUS & SECULAR MEDIA

October 1938 to May 1 2018

Al Dager made a huge impact on the lives of countless people, while fulfilling the desire of his heart—serving the Lord with love and concern for the Body of Christ.

Carolyn W wrote, “When I lose a friend these days, I think of John Donne’s poem No Man is an Island, and the line, “Every man’s death diminishes me”. We feel that there is just a little bit less of us, but can find comfort in knowing that the increase belongs to our departed one and God’s Kingdom.

Excerpts from some of the many who will miss Al:

From Jacob P: It is with a predictable combination of sorrow and joy that we learned that our friend & brother Al Dager has gone to be with The Lord. Al was a solid and much respected voice for discernment and strong scriptural doctrine in the present age of intense satanic attack on the

truths of God’s Word. Al completed his role in the work of the Watchmen as a voice of truth in an age of apostate deception.

From Jackie A:

My heart is sad -- Al was such a good influence on me over the decades -- like a big brother in the LORD. He was always willing to help when I had questions about teachers and movements - - He was an early form of google. Great is his reward for his labor of love in the kingdom. His tireless work on Media Spotlight will live on and on for future generations. I shared this on facebook:

From Dennis H:

What a man of God. Volumes can be written about him and still would not be enough, a man that loved to talk Bible anytime. And Jean his wonderful wife—such a team for God who communicated God’s word to forgotten ones such as those in prison who regularly received Media Spotlight.

From Zanna B:

What a special man. He stayed with us late into the night when our daughter died and spoke at her service when none of us could. He will be missed.

From Al M:

I went to High School with Al... He was such a close friend. He was in our wedding 60 years ago.... Many times when he and Jean would come down to L. A. he would call to have dinner with us on our Anniversary. He was truly a Crusader for the Lord.

Al hoped to someday be greeted by the Lord with the words, “Well done good and faithful servant.” That day came, without doubt, May 1, 2018.
